Talk together

Ask the child to

- Point to each letter pattern in the box on the back cover and say the sound that it makes in words. Tell the child that each of these letter patterns can make the same sound. Stress that some letter patterns can make more than one sound.
- Look out for these letter patterns in the story and try and remember the sound they make.

Reading the story

Remember, children learn best when reading is relaxed and enjoyable, so give lots of praise.

- Encourage the child to try to read any words they do not recognise by saying the sounds of each letter pattern separately (e.g. *B – er – t*), then running the sounds together quickly. If they find it difficult to say the sounds, say the word for them first, then see if they can hear the sounds in the word.
- Explain that it is important when running the sounds in a word together to check to see if it sounds like a real word as some words are less regular (e.g. *was*). Read these words to the child if they do not recognise them. Point out the letters that make the usual sound in each word (e.g. the *w* in *was*). This will help the child to remember these words.

See inside back cover for other activities.

Check comprehension

Ask the child

- What did Bert say made him late? (He said he was helping people and animals e.g. a furry caterpillar to find a leaf.) Do you believe him?
- Why was Bert early at the end of the story? (He didn't want to do lots of extra work.)

Check phonics (letter-pattern sounds)

Ask the child to

- Read pages 3 and 4. Find some words which contain the long *ur* sound (*Bert, Sir, were, Er, her, purse*).
- Point to the letter pattern that makes the long *ur* sound in these words (*er, ir, ere, ur*). Point out that *were* is a common word with an unusual spelling pattern for the *ur* sound.
- Read page 16 and find a word which rhymes with *purse* (*nurse*).
